2021 UNIVERSITY HIGH PERCUSSION | SUMMER SCHEDULE

The following schedule is our section's schedule for the start of summer.

Starting on July 6th, all percussion will meet in the morning with rehearsals starting at 9:00 am. While the Front Ensemble members will rehearse until 1:00 pm, the Drumline members will take an hour lunch each day at noon and continue in the afternoon from 1:00pm to 3:00pm (please pack a lunch!).

Please understand that due to COVID, schedules may change**. For rehearsals after July 23rd, consult the band's summer calendar at www.uhsband.net.** Make sure to enroll in Remind messages in the event of last-minute schedule changes.

WHAT TO BRING TO REHEARSALS

- Three-ring binder with entire packet/music in plastic sleeves (it *will* rain)
- Pencil(s) and a Highlighter (for learning split bass drum or cymbal parts)
- Water Jug (not a water bottle)
- Multiple pairs of sticks/mallets that are in good condition (wrapped in white electrical tape for drumline)
- Athletic clothing and shoes (no sandals, boots, skate shoes, etc.)
- Sunblock
- Hat and/or sunglasses
- Drum Pad (opt.)
- Anything else you may need for a six-hour day

REMINDER: If you will be missing from any rehearsals for a pre-planned family vacation, it is your responsibility to contact the percussion staff to let them know in writing. Any absences that are undocumented as excused vacations will be marked as unexcused absences. See the attendance agreement and band handbook for more information on attendance.

Are You Ready For Summer Rehearsals?

Use the following checklist to make sure you are prepared for success during our summer rehearsals!

❑ - My music is in a 3-ring binder with plastic, protective sleeves.

❑ - I have a water container of some sort to stay hydrated during extensive, physically demanding summer rehearsals.

❑ - I have sun block to keep myself safe during outside rehearsals (wearing a drum harness with a sun burn is not fun!)

❑ - I have contacted the Percussion/Band staff with any known schedule conflicts.

❑ - I have completed the UHS Health Form and Sports Physical (you cannot participate without a current, completed health form on record).

❑ - I have purchased a pair (or pairs) of my required sticks/mallets:
Note: Students should have a separate pair of sticks that they use only for performances.

Snares:
Vic Firth Corpsmaster – **Colin McNutt Signature Snare Sticks**

Quads:
Innovative Percussion – **Paul Rennick Multi-Stick Tenor Stick**

***Bass:** *Bass drums should wait until spots are finalized in July to purchase mallets.*
Bass 1: Vic Firth Corpsmaster – **MB0H** – X-Small Bass Mallets (Natural Finish)
Bass 2: Vic Firth Corpsmaster – **MB1H** – Small Bass Mallets (Natural Finish)
Bass 3: Vic Firth Corpsmaster – **MB2H** – Medium Bass Mallets (Natural Finish)
Bass 4: Vic Firth Corpsmaster – **MB2H** – Medium Bass Mallets (Natural Finish)
Bass 5: Vic Firth Corpsmaster – **MB3H** – Large Bass Drum Mallets (Natural Finish)

Front Ensemble Mallets:
The band will provide all front ensemble keyboard mallets for the year.

Front Ensemble Drumset:
Vic Firth **7A Drumset Sticks** (wood tips)

Front Ensemble Rack Percussion:
Vic Firth **SD-1 General Snare Drum Sticks** (1 pair)

*Some recycled bass mallets may be available at the school – Because of the price of mallets, I would recommend using them, but they are only to be used for rehearsals!
